Regulation on Undergraduate Education and Examination

ARTICLE 9 – (1) Initial enrollment of those who become entitled to final enrollment in any program offered by Bahçeşehir University is carried out on the dates and by means of required documents as announced by the Presidency. During the enrolment, original copy or a University-certified copy of the documents required for enrollment is obtained from the prospective student.

(2) Those whose documents are missing or altered may not enroll in Bahçeşehir University. The enrollment of those who enroll in the University by way of misrepresentation and forged document shall be cancelled when it is found out and they shall be subject to legal action.
