PROFESSIONAL PRACTICE BLOCK ON GENERAL SURGERY AND UROLOGY

Schedule for November 2, 2026 - December 25, 2026

Block Responsible: Emre ARAY

Clerkship Responsibles: General Surgery: Asst. Prof. Emre ARAY · Urology: Asst. Prof. Tümay İPEKÇİ

During implementation, operational adjustments may be made when required by academic, clinical, institutional, or calendar-related circumstances. Such adjustments may include changes in the day, time, venue, instructor, subgroup assignment, or sequence of theoretical and practical sessions. Where educationally appropriate, theoretical teaching and clinical rotations may also be scheduled within the same week or redistributed within the block period.

PROFESSIONAL PRACTICE BLOCK ON OBSTETRICS AND GYNECOLOGY WITH ANESTHESIOLOGY AND REANIMATION

Schedule for November 2, 2026 - December 25, 2026

Block Responsible: Tolga TAŞÇI

Clerkship Responsibles: Obstetrics and Gynecology: Asst. Prof. Emine Eda AKALIN · Anesthesiology and Reanimation: Prof. Dr. Serkan TULGAR

During implementation, operational adjustments may be made when required by academic, clinical, institutional, or calendar-related circumstances. Such adjustments may include changes in the day, time, venue, instructor, subgroup assignment, or sequence of theoretical and practical sessions. Where educationally appropriate, theoretical teaching and clinical rotations may also be scheduled within the same week or redistributed within the block period.

PROFESSIONAL PRACTICE BLOCK ON CHILD HEALTH, DISEASES AND SURGERY

Schedule for November 2, 2026 - December 25, 2026

Block Responsible: Ayberk ÖZKAVAKLI

Clerkship Responsibles: Pediatrics: Ayberk ÖZKAVAKLI · Pediatric Surgery: Doç. Dr. Melih AKIN

During implementation, operational adjustments may be made when required by academic, clinical, institutional, or calendar-related circumstances. Such adjustments may include changes in the day, time, venue, instructor, subgroup assignment, or sequence of theoretical and practical sessions. Where educationally appropriate, theoretical teaching and clinical rotations may also be scheduled within the same week or redistributed within the block period.

PROFESSIONAL PRACTICE BLOCK ON INTERNAL MEDICINE AND INFECTIOUS DISEASES

Schedule for November 2, 2026 - December 25, 2026

Block Responsible: Cengiz BÖLÜKBAŞ

Clerkship Responsibles: Internal Medicine: Özlem ERCELEP · Infectious Diseases: Asst. Prof. Yasemin KOÇER TULGAR

During implementation, operational adjustments may be made when required by academic, clinical, institutional, or calendar-related circumstances. Such adjustments may include changes in the day, time, venue, instructor, subgroup assignment, or sequence of theoretical and practical sessions. Where educationally appropriate, theoretical teaching and clinical rotations may also be scheduled within the same week or redistributed within the block period.
