#### NOTES:

#### What is the Diploma Supplement?

The Diploma Supplement is a certificate granted attached to the higher education diploma in order to increase international transparency and facilitate recognition of academic and professional qualifications (diploma, degree, certificate etc.). It is designed to provide detailed information about the structure, level, content and status of the works conducted by the person whose name is written in the diploma to which such supplement is attached.

- Diploma Supplement is not curriculum vitae!
- Diploma Supplement does not substitute an original transcript!

#### Diploma Supplement offers the following advantages for students:

- More understandable and comparable degrees abroad
- A clear description of skills gained throughout the university education and relevant academic career
- Easier access to employment opportunities and master's and PhD programs abroad

#### Who is granted the Diploma Supplement?

The Diploma Supplement is granted for free to those who graduated in 2005 and afterwards according to the instructions of the Council of Higher Education.

#### How to obtain the Diploma Supplement?

To obtain the Diploma Supplement, it is sufficient to fill out this form and submit it to the Registrar's Office. You can obtain your Diploma Supplement from the Registrar's Office after one week from your application. The Diploma Supplement will be handed over to the student himself/herself.
