

## **2021-2022 Spring Term Thesis Announcement**

All Master's Programs (Except Law Programs) will use "Thesis Writing Guide"

**\* STUDENTS TAKING THE DEFENSE EXAM SHOULD SEND THESIS TO FORMAT CHECK.**

**\*\*ENGLISH PROGRAMS WILL USE ENGLISH FORM- TURKISH PROGRAMS WILL USE TURKISH FORM.**

**\*\*\* THE MINIMUM WORD NUMBER OF THESIS IS 8500 CHARACTERS.**

### **Format Control**

- **Advisors** should check for plagiarism the theses whose academic content they approve of as complete. (Maximum 25% plagiarism rate)
- **Advisors** should send the "Thesis Jury Proposal Form", Turnitin Report, and "Suitable for Format Control" petition for the thesis, whose academic content they approve of, to the address: Tezformat@gs.bau.edu.tr.
- The student will send a copy of the thesis approved by the advisor to the Graduate School by printing it out (not in a binder, it can be in spirals).
- No additions or deletions can be made in terms of content on the thesis, which is taken to format control with all documents completed.
- If the advisor's approval, plagiarism report, jury suggestion form and at least one of the written copies of the thesis are missing on the specified date, the thesis format will not be checked.

### **Spring Term Master Thesis Calendar**

**!For the format control of the theses, the first control will be done by hand (it will be delivered to the Institute as a printout), the next controls will be made by mail.**

<b>Friday, May 27, 2022</b>	Friday, May 27, 2022 Deadline for submission of thesis jury proposals and approved copies of theses for Format control to the institute.

### **MASTER'S THESIS DELIVERY**

**The student who is successful at the end of the defense must submit the hardcover copy of the thesis approved by the institute, together with the necessary documents, to the Institute by the deadline.**

#### **Matters to be Considered in Submission of Thesis;**

- 1 hardcover thesis (The original of the thesis approval form, in which the thesis is approved by the jury, must be included in the thesis)
- Fill in the thesis data entry form from the link below and save it and sign it by taking 3 prints. ORCID number must be found in data entry forms, detailed information is in the ORCID section of the data entry area. <https://tez.yok.gov.tr/UlusalTezMerkezi/sistemGiris.jsp>
- 2 CDs (what should be on the CD; the thesis must be in PDF (except for the appendices) and WORD format. The appendices should be in the form of a rar file, the files on the CDs should be saved with the reference number given in the YÖK data entry form, references on the CDs should be You must write your number, name and surname. The files on the CD should not contain a signed consent form)
- 3 Thesis Defense Report Form
- 3 Thesis Approval Forms (1 copy must be included in the volume, 2 copies must be hand delivered)
- The Turnitin/Plagiarism report (to be taken by the Advisor) will be delivered to our institute by the student.
- (Signatures of the Advisor and Jury Members on the Approval and Minutes forms must be wet signatures or e-signatures)

## **STUDENTS TAKING EXTENSION AND FAILED**

The student who receives an extension at the end of the defense must submit the signed "Thesis Report Form" and "Jury Report" to the Graduate School within 1 month. Students who receive a thesis revision must come to the defense again within 3 months and have to repeat all the steps for their thesis during the correction period (such as advisor approval, plagiarism report, format control, defense).

Students who fail at the end of the defense must submit the Thesis Report Form to the Graduate School within 1 month.

BAHÇEŞEHİR UNIVERSITY GRADUATE EDUCATION AND TEACHING REGULATIONS Concluding the master's thesis ARTICLE 14- (8) (Amended:RG-19/9/2020-31249) A student whose thesis is rejected as unsuccessful and/or who does not attend the thesis defense after completing the maximum period is dismissed from the University.

### **If requested;**

**If the master's program with thesis does not have an approved non-thesis master's program, the student is adapted to the non-thesis program closest to the thesis program with the decision of the institute administrative board and his diploma is given from the non-thesis program to which the adjustment is made. In this situation, a student is given a maximum of one semester additional time to complete his/her deficiencies. .**
