

ANNOUNCEMENT

PHAR3999 Pharmaceutical Internship I.

Internship institutions: Independent pharmacies.

Time of internship: Second-year, summer period (between 4th and 5th semesters).

Internship duration: 30 workdays.

1. Pharmacies are only considered valid for internship if the residing pharmacist has been practicing for at least five years.
2. No familial relations may exist between the residing pharmacist and the intern.
3. The student is expected to contact a pharmacist fulfilling these criteria to negotiate the internship period and details.
4. Following the agreement of the supervising pharmacist, the internship report form must be filled out and submitted to the internship committee for approval.
5. If approved, the internship institution is considered finalized, and the student may complete the internship during the declared time period.
6. Internship application documents and timeline may be accessed at the faculty website.
7. Application documents must be approved by the internship institution and submitted to the faculty secretariat by April 05, 2024.
8. Both Turkish and international pharmacies are eligible to employ interns.
9. After the internship institution is finalized, the department will forward an Internship Evaluation Form to the institution.
10. At the end of the internship, the supervising pharmacist will complete and sign the form, and send it in a sealed envelope to the department.
11. Internship committee members will regularly contact internship institutions to ensure that the internship is proceeding according to departmental standards.
12. Following the internship, the intern will complete and submit an Internship Report according to departmental guidelines.
13. The Internship Report must be signed and stamped by the supervising pharmacist.
14. Internship Reports must be submitted to the department by the deadline described in the internship calendar. Students who fail to submit by that date are considered to have failed the class.
15. Internship documents will be evaluated by an 'Internship Exam Committee' formed by at least three members.
16. Documents will be evaluated and converted to a final grade as follows:

	Grade
Internship evaluation form	%25
Internship report	%25
Internship exam	%50

17. A minimum grade of 70 is required to succeed. This is a pass/fail class; there are no letter grades.

18. Interns who have delivered a valid report are nevertheless considered to have failed if they fail to attend the internship exam.
